<b>Comment/Message:</b>	I respectfully request that this be delayed as little notice was given to the residents regarding a potential rate increase. It appears there has been minimal investigation into what needs to be done to rectify the problem. If anything has been discovered, there has been little communicated with our residents. Furthermore,

it seems they are asking our subdivision to foot the bill for not only the residents of our subdivision, but for several others that are benefiting from our sewage utilities.
