Comment/Message:

My name is Amy Van Bure and I am a resident in the [REDACTED] of which Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose the amount of this rate increase on the basis that we have not been provided sufficient notice for

comment or review. I also oppose this based on the mismanagement of the facility and environmental damage the company has caused. I request an extension of a minimum of 30 days for review of compliance.
