Comment/Message:

I live in [REDACTED] d where Limestone Water Utility is requesting to increase our sewage rate over 100%. I oppose this rate increase. There has been a lack of accountability for repairs and upgrades and there has been environmental damage from mismanagement of the facility at Grassland. I am requesting an extension from

the committee for review of compliance & I support the Attorney General's office to advocate for the protection of our community from racketeering, price gouging and destruction.
