Commission Docket Number: 24-00044

Comment/Message:

This message relates to Limestone Water and Sewer and the unproportionate rate increase that is occurring in the Grassland community. I live in the [REDACTED] adjacent to the Grassland Limestone facility which recently leaked onto the recreation space requiring remediation. The remediation has yet to take

place. Upgrades are needed which often require those costs to be passed on to the consumer but at a rate that is proportional and equitable.
