Commission Docket Number:	24-00044
Comment/Message:	I oppose the amount of this rate increase on the basis that we have not been provided sufficient notice for comment or review. More importantly, there has been a lack of accountability for repairs and upgrades and there has been environmental damage from mismanagement of the facility at Grassland. I

am requesting an extension from the committee for review of compliance and I support the Attorney General's office to advocate for the protection of our community from racketeering and price gouging
