Commission Docket Number:	24-00044
Comment/Message:	Re: Limestone Water Hearing Strongly oppose Limestone Water rate increase related to the water treatment facility. Limestone have been negligent stewards, dumping raw sewage, destroying asphalt surfaces and emitting noxious fumes. Limestone has been collecting

\$7.50 per month from every connection for at least 10 years which was supposedly to be put into escrow for physical plant maintenance, repair and expansion.
Many households are fixed income, rate increase = hardship
