Commission Docket Number: 24-00044

Comment/Message:

I am completely against limestones proposed exorbitant increase to our sewage bill. The reasons are very clear. They have damaged Rec road from their trucks and have yet to fix that issue. Secondly, our kids cannot play on the soccer field due to sewage overflow. Thirdly, no documentation has been provided about

these so called up grades. All we have received is a vague letter from Limestone ultimately stating that rates may or may not go up. Please hold them accountable!
