<b>Commission Docket Number:</b>	24-00044
<b>Comment/Message:</b>	I received a notice, dated 2/5/25, letting me know that Limestone is proposing a rate change. No true explanation beyond it's for an upgrade and investment in the infrastructure. I realize costs have increased and continued maintenance is important and I'm open to a reasonable and modest increase - not \$50 a

month more. Consideration to the rate increase should be made with transparency and reason.

**Document Title:** Rate Increase - Limestone

**Brief Description of Document:** Comment regarding proposed rate increase to utility.
