Re: *Petition of Limestone Water Utility Operating Company, LLC to Increase Charges, Fees and Rates, and for Approval of a General Rate Increase and Consolidated Rates* (TPUC Docket No. 24-00044)

Dear Mr. Malone:

The Consumer Advocate submits this letter to request further supporting documentation of the legal expenses requested to be recovered as rate case expenses in the above referenced docket. The Consumer Advocate requests production of invoices with the general description of the nature of work provided and the billed amount/cost of the work performed in total and on an hourly basis. If some information is determined to be protected by privilege, it may be redacted, as long as a general description of the work performed is included.

Thank you for your time and consideration of this matter. If you have any questions, please contact me at (615) 741-2357.

Respectfully,

A handwritten signature in black ink, appearing to read "Victoria Glover".
