Dear Ms. Karen,

Attached is the worksheet with the list of businesses on the same street which should be hooked to the same sewer system as ours.

We do not see some of the commercial property listed on Limestone Water's list.

The best example is our neighbor, 23 & 25 Wayson Ln, Counce TN 38326 known as Pickwick Cottages, for which we know for sure. If you see them on your list, pl. let us know.

Likewise there may be others. Limestone water has failed in identifying and assigning usage for commercial properties.

Regards,

Jay Patel
