Good Afternoon Lisa,

Thank you for speaking with us on Friday to clarify the questions with our application.

We are working with our client to gather and prepare our response with the specific details you pointed out on Friday. The original communication from the commission indicated a deadline of today, October 28<sup>th</sup>, at 2pm.

We respectfully request an extension to the deadline for our response, to the end of the week. This will allow us to accurately answer the questions and provide necessary documentation to the commission. We hope this is amenable to the commission.

Best,

[Ellis C. McKennie, Esq.](#) | Associate | [Venable LLP](#)
