RE: *Petition of Tennessee-American Water Company Regarding The 2025 Production Costs and Other Pass-Throughs Rider*, TPUC Docket No. 25-00002

Dear Chairman Jones:

Attached for filing please find *Tennessee-American Water Company's Responses to First Set of Discovery Requests of the Consumer Advocate* in the above-captioned matter.

Please note that Response No. 1-5 contains **CONFIDENTIAL INFORMATION** and is being submitted **UNDER SEAL** as **CONFIDENTIAL and PROPRIETARY**. Both a public version and a nonpublic, **CONFIDENTIAL** version of this response is attached.

As required, copies will be mailed to your office. Should you have any questions concerning this filing, or require additional information, please do not hesitate to contact me.

Very truly yours,

BUTLER SNOW LLP

BUTLER SNOW LLP

BEFORE THE TENNESSEE PUBLIC UTILITY COMMISSION
NASHVILLE, TENNESSEE

PETITION OF TENNESSEE-AMERICAN WATER COMPANY REGARDING THE 2025 PRODUCTION COSTS AND OTHER PASS-THROUGHS RIDER	)))))	**DOCKET NO. 25-00002**

TENNESSEE-AMERICAN WATER COMPANY'S RESPONSE
TO FIRST SET OF DISCOVERY REQUESTS OF THE CONSUMER ADVOCATE

Tennessee-American Water Company ("TAWC"), by and through counsel, hereby submits its Response to First Set of Discovery Requests propounded by the Consumer Advocate Division of the Attorney General's Office ("Consumer Advocate").

GENERAL OBJECTIONS

1. TAWC objects to all requests that seek information protected by the attorney-client privilege, the work-product doctrine and/or any other applicable privilege or restriction on disclosure.

2. TAWC objects to the definitions and instructions accompanying the requests to the extent the definitions and instructions contradict, are inconsistent with, or impose any obligations beyond those required by applicable provisions of the Tennessee Rules of Civil Procedure or the rules, regulations, or orders of the Tennessee Public Utility Commission ("TPUC" or "Authority").

3. The specific responses set forth below are based on information now available to TAWC, and TAWC reserves the right at any time to revise, correct, add to or clarify the objections or responses and supplement the information produced.

4. TAWC objects to each request to the extent that it is unreasonably cumulative or duplicative, speculative, unduly burdensome, irrelevant or seeks information obtainable from some other source that is more convenient, less burdensome or less expensive.

5. TAWC objects to each request to the extent it seeks information outside TAWC's custody or control.

6. TAWC's decision, now or in the future, to provide information or documents notwithstanding the objectionable nature of any of the definitions or instructions, or the requests themselves, should not be construed as: (a) a stipulation that the material is relevant or admissible, (b) a waiver of TAWC's General Objections or the objections asserted in response to specific discovery requests, or (c) an agreement that requests for similar information will be treated in a similar manner.

7. TAWC objects to those requests that seek the identification of "any" or "all" documents or witnesses (or similar language) related to a particular subject matter on the grounds that they are overbroad and unduly burdensome and exceed the scope of permissible discovery.

8. TAWC objects to those requests that constitute a "fishing expedition," seeking information that is not relevant or reasonably calculated to lead to the discovery of admissible evidence and is not limited to this matter.

9. TAWC does not waive any previously submitted objections to the Consumer Advocate's discovery requests.

TENNESSEE AMERICAN WATER COMPANY
DOCKET NO. 25-00002
FIRST DISCOVERY REQUEST OF THE
CONSUMER ADVOCATE DIVISION

Responsible Witness: Robert C. Lane

Question:

1-1. **Non-Revenue Water Calculation**. Refer to Page 8 of Company witness Lane's testimony regarding the Non-Revenue Water calculation which reads, in part, as follows:

> *The calculations in this Petition are consistent with the calculations made pursuant to and in compliance with the approved tariff in TPUC Docket No.13-00130 and again in Docket Nos. 15-00001, 15-00131, 16-00148, 18-00009, 19-00010, 20-00008, 21-00006, 22-00005, 23-00007 and 24-00002, with the exception of using the unaccounted for water limitation factor rather than the Non-Revenue Water limitation factor to be consistent with TPUC precedent pursuant to the Commission's orders in TPUC Docket Nos. 08-00039 and 10-00189 (formerly TRA dockets).*
>
> *The Company is making this adjustment to conform to the limitation factor on unaccounted for water adopted by the Commission in TPUC Docket Nos. 12-00049, 10-00189 and 08-00039. The Company realized there was an inconsistency between how the unaccounted for water limitation factor had previously been implemented in more recent years and the clear language of these previous Commission decisions applying a 15% unaccounted for waterlimitation factor. TAWC is rectifying that in this filing.*

Provide a narrative of precisely what portions of TPUC Docket Nos. 08-00039, 10-00189 and 12-00049 that the Company is referring to and how these particular dockets dictate the methodology used by the Commission in the PCOP calculation.

Response:

As cited in the Pre-filed Direct Testimony of Company Witness Robert C. Lane, on page 15 of its order in TPUC Docket No. 08-00039, the Commission stated as follows: "the panel limited the unaccounted for water percentage to 15%". (Emphasis added.) It is this language in the Commission's order that the Company is referencing.

Below are the portions of TPUC Docket Nos. 08-00039 and 10-00189 that outline the methodology used by the Commission for adjusting Power and Fuel Costs and Chemical expenses for unaccounted for water. Decision 12-00049 was a settlement and does not indicate a change from the methodology from Docket Nos. 08-00039 or 10-00189.

The relevant portions of TPUC Docket Nos. 08-00039 and 10-00189 are:

Docket No. 08-00039

The Commission in TPUC 08-00039, at page 15, articulated the 15% for limitation purely in terms of "unaccounted-for water."

> Recognizing the importance of conserving water, which is one of the state's most valuable natural resources, the panel established a baseline efficiency standard. Based on the evidence presented, the panel limited the unaccounted-for water percentage to fifteen percent. In

The Commission applied this 15% unaccounted for water standard to fuel and power (see page 15) and then the Commission went on further to apply this same 15% unaccounted-for water standard to expenses for Chemicals (see page 16):

> Consistent with its determination regarding the Fuel and Power Expense, the panel limited the unaccounted-for water percentage at fifteen percent. Further, in making its decision, the panel relied on *South Central Bell Telephone Co. v. Tennessee Public Service Commission.*[47]

Nowhere in this decision in Docket No 08-00039 does the Commission reference Non-Revenue Water.

Docket No. 10-00189

As cited in the Pre-filed Direct Testimony of Company Witness Robert C. Lane, on page 67 of its order in TPUC Docket No. 10-00189, the Commission stated as follows: "the same

percentage established in the 2008 rate case remains viable". (Emphasis added.) It is this language in the Commission's order that the Company is referencing.

> levels. The Authority determined that the baseline water loss percentage of 15% for TAWC, the same percentage established in the 2008 rate case,[387] remains viable, and TAWC should continue to strive to meet this goal. Also, the Authority agreed with the evidence put forth by the CRMA,

Docket No.12-00149

In this Docket, the Commission did not change the policy it laid out in Docket Nos 08-00039 and 10-10-00189.

TENNESSEE AMERICAN WATER COMPANY
DOCKET NO. 25-00002
FIRST DISCOVERY REQUEST OF THE
CONSUMER ADVOCATE DIVISION

Responsible Witness: Robert C. Lane

Question:

1-2. **Approved Deferred Amount**. Refer to the Company's File <Workpaper_Revenue - 2024>, Tab "Links", that was included with the filing. Specifically, refer to Cell B6 of this spreadsheet which contains a value of $1,034,368 as the Deferred Revenue and references TPUC Docket No. 23-00007 for support.

Is it the Company's intent to use the Deferred Revenue from TPUC Docket No. 23-00007 as the supporting reference instead of the amount from TPUC Docket No. 24-00002? If so, provide a narrative explanation supporting the use of this amount. If the Company believes that this amount was used in error, then provide an updated PCOP calculation.

Response:

No, it is not the Company's intent to use the Deferred Revenue from TPUC Docket No 23-00007 as the supporting reference instead of the amount from TPUC Docket NO. 24-00002. The Deferred Revenue from TPUC Docket No. 23-00007 was referenced in error. The Deferred Revenue amount of $2,134,865 from TPUC Docket No. 24-00002 is the correct amount. Please see Workpaper_Revenue - 2024 REVISED and TAW_EXH_RCL_1_ REVISED for an updated PCOP calculation.

TENNESSEE AMERICAN WATER COMPANY
DOCKET NO. 25-00002
FIRST DISCOVERY REQUEST OF THE
CONSUMER ADVOCATE DIVISION

Responsible Witness: Robert C. Lane

Question:

1-3. **Out-of-Period Adjustment**. Refer to the Company's File <Workpaper_Purchased Water - 2024>, Tab "Monthly Totals", Cell F24 that was included with the Company's filing. This Cell has a value of $154,832 for the Review Period for the Marion Board of Water. Next refer to this same spreadsheet, Tab "Jasper Highlands", Cell K25. This Cell has a value of $166,907 for the Review Period but uses out-of-period amounts to arrive at this total.

Is it the Company's contention that both of these two differing amounts are appropriate to include in the PCOP calculation? If so, provide a narrative explanation to support using separate amounts for these two calculations. If the Company believes that one of these amounts was provided in error, then provide an updated calculation.

Response:

No. It is not the Company's contention that both of these two differing amounts are appropriate to include in the PCOP filing. The discrepancy was the result of Nov. 2023 data being included rather than Nov. 2024 data. The corrected amount for both cell references is now $164,262. Please see Workpaper Purchased Water – 2024 REVISED for the adjustment.

TENNESSEE AMERICAN WATER COMPANY
DOCKET NO. 25-00002
FIRST DISCOVERY REQUEST OF THE
CONSUMER ADVOCATE DIVISION

Responsible Witness: Robert C. Lane

Question:

1-4. **Source & Support**. Refer to the Company's File <Petitioner's Exhibit - PCOP CALC Exhibit - RCL (TAW_EXH_RCL_1_011723)>, Tab "Jasper Highlands Workpaper", Cell C9, of the spreadsheet that was included with the filing. This Cell has a value of 9,501,833 for the 2024 Jasper Highlands Billed Usage that is then referenced in other schedules. Provide the source and support for this amount which appears as an unreferenced hardcoded amount.

Response:

This cell value was provided in error and referred to the TN billed usage from Petitioner's Exhibit - PCOP CALC Exhibit - RCL (TAW_EXH_RCL_1_011723). This cell had no impact on the calculation of the Jasper Highlands Adjustment. The Jasper Highlands adjustment has been calculated consistent with the Commission's Final Order in TPUC Docket 22-00005. Please refer to exhibit TAW_EXH_RCL_1_REVISED for the correction.

PUBLIC

Question:

1-5. **Source & Support**. Refer to the Company's File <CONFIDENTIAL Workpaper_Chemicals - 2024>, Tab "Monthly Totals", Column AO, included in the filing. This Column is identified as the "General Ledger Total" and has a total value of [redacted]. Provide the source and support for the individual monthly amounts in this Column that appear as unreferenced hard-coded amounts.

Response:

The balances of Chemicals were pulled from our financial ledger SAP. Please see the amounts highlighted in green in the attached screenshots.

CONSUMER ADVOCATE DIVISION

Responsible Witness: Robert C. Lane

Question:

1-6. **Source & Support**. Refer to the Company's File <Petitioner's Exhibit – PCOP CALC Exhibit – RCL (TAW EXH RCL 1 011723)>, Tab "Support Workpaper", Column E, included in the filing. This Column of data includes the PCOP Authorized Amounts from TPUC Docket No. 12-00049. Identify and provide supporting documentation for the Authorized Amounts to be used in future PCOP filings from the Company's 2024 Rate Case in TPUC Docket No. 24-00032.

Response:

As the review period for the PCOP Petition that is the subject of TPUC Docket No. 25-00002 is December 1, 2023, through November 30, 2024, TAWC objects to this request on the grounds that it is irrelevant and burdensome in that it seeks information that is not related to this Petition. Subject to and without waiving this objection, TAWC responds as follows: The authorized level of purchased water, purchased power, chemicals, waste disposal and the TRA inspection as outlined in the pre-filed motion approved by the Commission on January 21, 2025, are as follows:

1) Purchased Water of $176,500;
2) Purchased Power of $2,672,005;
3) Chemicals of $2,116,184;
4) Waste Disposal of $759,106;
5) TRA Fee of $289,493;
