Re: *Docket No. 25-00002 – Petition of Tennessee-American Water Company Regarding the 2024 Production Costs and Other Pass-Throughs Rider (“PCOP”).*

Dear Mr. Lane:

To assist the Commission in its continuing evaluation of this matter, please respond to the following request for information:

- 1.) Please refer to Excel files: (a) “Petitioner's Exhibit - PCOP CALC Exhibit - RCL (TAW_EXH_RCL_1_011723), tab: “Jasper Highlands Workpaper”, Cell H9 and (b) “Usage & Sales”, Cell N13. Please provide a narrative for why the Company uses the customer count as of December 2024 rather than the average customer count for Jasper Highlands for the period December 2023- November 2024 for its estimated purchased water and purchased power expense embedded in base rate calculations. If this amount was used in error, provide an updated PCOP calculation. In addition, please provide the Jasper Highlands system delivery gross, total water sales, water revenues, and total customer contracts for the period December 2023-November 2024.

Responses are requested to be provided no later than Tuesday, March 4, 2025. In accordance with the Commission’s rules, please submit your response electronically to the Docket Manager at tpuc.docketroom@tn.gov, with the original and four copies also mailed to the Docket Manager. Please contact me if you have questions or need clarification on this request.

Sincerely,

A handwritten signature in blue ink that reads "David N. Foster".

David Foster, Director
Utilities Division
