## **II.**

### **BACKGROUND**

5. In 2013, the Tennessee General Assembly passed House Bill 191, which revised Tenn. Code Ann. § 65-5-103 to allow alternative regulatory methods and mechanisms that recover certain costs without convening a general rate case, as long as specific criteria are satisfied,

including, but not limited to, the Commission making a finding, prior to approval, that such alternative methods and mechanisms are in the public interest.

6. On October 4, 2013, Tennessee American submitted a petition (the “*October 2013 Petition*”) seeking approval of four (4) proposed alternative regulatory methods and mechanisms as permitted under Tenn. Code Ann. § 65-5-103 *et seq.* More specifically, the Company sought approval for a Qualified Infrastructure Investment Program Rider (“QIIP”),<sup>1</sup> an Economic Development Investment Rider (“EDI”),<sup>2</sup> a Safety and Environmental Compliant Rider (“SEC”) <sup>3</sup> and a Pass-Throughs mechanism for Fuel, Purchased Power, Chemicals, Purchased Water, Wheeling Water Costs, Waste Disposal and TPUC Inspection Fee (“PCOP”).<sup>4</sup> One of the primary regulatory concepts underlying the then-proposed Capital Riders and PCOP<sup>5</sup> was to allow, with the requisite safeguards to serve the public interest, smaller, gradual increases in rates and thereby lessen the occurrence of “rate shock.” One of the many benefits of this new, more streamlined recovery approach would be the likelihood of less frequent rate case filings.

7. On January 10, 2014, the Company and the Attorney General and Reporter for the State of Tennessee, through the Consumer Advocate Unit, Financial Division, now the Consumer

---

<sup>1</sup> The QIIP Rider is designed, in part, to mitigate regulatory lag, to accelerate the timeframe of essential infrastructure upgrades and replacements, and to produce a safer and more reliable water distribution and production system for ratepayers. Additionally, this mechanism has many other customer benefits and protections, including the lessening of the occurrence of “rate shock” associated with Base Rate increases.

<sup>2</sup> The EDI Rider is designed, in part, to promote the public interest by supporting and enhancing Tennessee American’s ability to serve both growing and new businesses and by permitting the Company to prudently promote economic development, growth and expansion in its service area.

<sup>3</sup> Generally, the SEC Rider supports the Company’s ability to serve the public interest by providing safe and reliable drinking water. The current regulatory environment, coupled with aging infrastructure, will require a larger investment in safety and environmental compliance not previously recognized in the Company’s rates. Hence, one of the benefits of this rider is avoiding “rate shock” by permitting smaller, more gradual rate increases over time.

<sup>4</sup> The PCOP is designed to streamline the recovery process by permitting Tennessee American to recovery the largest non-labor related component of the Company’s operations and maintenance expenses in a more timely manner, as increases in these essential and non-discretionary expenses (such as chemicals and power) are outside the control of the Company’s management.

<sup>5</sup> For ease of reference, the QIIP, the EDI and the SEC have been referred to over the years collectively as the “Capital Recovery Riders.”

Advocate Division of the Office of the Attorney General (“CAD” or “Consumer Advocate”), submitted a Stipulation in TPUC Docket No. 13-00130 (the “*Stipulation*”), resolving the contested issues presented and offering the *Stipulation* to the Commission for its review, consideration and approval. Considering the *Stipulation* and the supporting documentation as an Amended Petition, the Commission approved the Capital Recovery Riders and the PCOP on April 14, 2014.<sup>6</sup>

### III.

#### THE CAPITAL RECOVERY RIDERS AND PCOP

8. Detailed explanations of the Capital Recovery Riders and the PCOP, along with underlying supporting documentation, are set forth in the Direct, Rebuttal and Supplemental Testimony of Gary M. VerDouw in TPUC Docket No. 13-00130.<sup>7</sup> Moreover, the Company’s revised tariff sheets setting forth the Capital Recovery Riders, the PCOP, and the regulatory safeguards related thereto, were submitted in TPUC Docket No. 13-00130 on March 25, 2014, and approved by the Commission as part of the Amended Petition on April 14, 2014 (hereinafter referred to as the “*Approved Tariffs*”).

9. In its April 14, 2014, deliberations in TPUC Docket No. 13-00130, the Commission determined, after a review of the evidentiary record, including the *Stipulation* and the *Approved Tariffs*, that the proposed Capital Recovery Riders and the PCOP were reasonable and that the *Approved Tariffs* met the requirements of Tenn. Code Ann. § 65-5-103 *et seq.*<sup>8</sup> As set forth in the *Approved Tariffs*, the Commission noted that the Capital Recovery Riders and the PCOP would not only accommodate a more timely recovery process for necessary costs and expenses, but also

<sup>7</sup> The Testimony of CA Witness William H. Novak in TPUC Docket No. 13-00130 likewise aided in shaping the *Stipulation* and the Amended Petition as well.

that these methods and mechanisms would further avoid the delay and expense commonly associated with full blown rate case proceedings.<sup>9</sup> Finally, the Commission found the Amended Petition to be in the public interest.<sup>10</sup>

##### **THE APPROVED INCREMENTAL CAPITAL RECOVERY RIDER TARIFF**

10. On November 16, 2018, in TPUC Docket No. 18-00120, TAWC submitted its Petition Regarding the 2019 Investment and Related Expenses Under the Qualified Infrastructure Investment Program Rider, the Economic Development Investment Rider and the Safety and Environmental Compliance Rider. The Consumer Advocate intervened in this matter. After the hearing on the merits, during its deliberations resolving Docket No. 18-00120, the Commission established a new docket to address potential issues and proposed modifications to improve, make more transparent, or streamline the Company's Capital Recovery Riders.<sup>11</sup> This led to the Commission convening TPUC Docket No. 19-00103. The cooperative and good faith discussions regarding the issues and concerns raised and presented in Docket No. 19-00103 led to the parties resolving all such issues upon mutually acceptable terms and a revised alternative regulatory method or mechanism to replace certain methodologies and calculations associated with the Capital Recovery Riders was crafted (the underlying eligibility requirements of the Capital Recovery Riders – QIPP, EDI and SEC – remain unchanged). The revised mechanism is referred to as the Incremental Capital Recovery Rider Tariff or "ICRR."

<sup>10</sup> *Id.* See also *Order Approving Amended Petition*, TPUC Docket No. 13-00130 (Jan. 27, 2016).

<sup>11</sup> In re: Petition of Tennessee-American Water Company Regarding the 2019 Investment and Related Expenses Under the Qualified Infrastructure Investment Program Rider, the Economic Development Investment rider and the Safety and Environmental Compliance Rider, TPUC Docket No. 18-00120, *Order Approving Petition as Amended*, pp. 21-22 (Nov. 8, 2019).

11. The ICRR differs from the previous and now replaced Capital Recovery Riders in a number of respects, including the following:

- Eliminates the previous two-filing-per-year in favor of a single annual filing.
- The Incremental Capital Rider Revenue Requirement (“ICRRR”) is calculated by comparing the current amount of eligible capital additions and the authorized amounts already included in rates from the prior period.
- Addresses the concern that the sum of the Rate Base in base rates plus the capital rider Rate Base shall not exceed the actual rate base of the Company.
- Employs a Return on Equity Test to determine whether any limitation shall be applied to the Recovery of the ICRRR.
- Maintains TPUC’s long standing precedent of reducing regulatory lag by utilizing deferred accounting treatment for costs associated with new capital investment.
- Maintains the approved methodologies, as originally adopted in TPUC Docket No. 13-00130 (and subsequently modified in dockets filed under its annual mechanism), except as necessary to implement the ICRR.

The *2024 ICRR Order* outlines the pathway for transitioning from the existing Capital Recovery Riders mechanism to the ICRR. The ICRR mechanism provides a regulatory framework that fairly balances both the consumers and TAWC’s interests. In conjunction with other aspects of the Commission’s regulation of TAWC, and consistent with the permissible alternative regulatory mechanisms allowed under Tennessee law, this framework supports timely investment in critical infrastructure dedicated to the public use by the Company to serve its customers. At the same time, it affords the utility, TAWC, the opportunity to earn a reasonable return on invested capital while providing for regulatory review and approval of utility rates. By adjusting rates annually, subject to an ROE test, the agreed upon ICRR Tariff seeks to streamline regulation and avoid rate shock to customers, while assuring that rates remain reasonable and affordable. Finally, this framework

provides a transparent, efficient, and reasonable process for the Commission to exercise its responsibility to ensure clean, safe, and reliable water service at reasonable rates.<sup>12</sup>

12. Pursuant to the ICRR Tariff and the *2024 ICRR Order*, beginning March 1, 2024, and March 1<sup>st</sup> of each year thereafter, the Company will submit its annual filing for qualifying investments made through December 31 of the previous year.

13. In further support of its Petition, the Company has simultaneously filed the following Pre-filed Direct Testimony, which is incorporated herein by reference:

- (a) **Direct Testimony of Robert C. Lane**, which provides the underlying support for the Incremental Capital Recovery Rider and related issues and sponsors certain Exhibits in support of the Petition.
- (b) **Direct Testimony of Jon Sparkman**, which outlines the process for determining, overseeing, and implementing TAWC's capital investment plan, including the level of eligible Incremental Capital Recovery Riders expenditures for 2024.

14. As set forth in the Direct Pre-filed Testimony of Robert C. Lane, and consistent with the Commission's October 25, 2019, *Order Approving Stipulation and Settlement Resolving Phase One of the Docket*, TPUC Docket No. 18-00039, the Company's Petition includes the credit from the implementation of the federal Tax Cuts and Jobs Act of 2017 as an offset, as previously applied in the Company's Capital Recovery Riders dockets.

---

<sup>12</sup> The ICRR is set forth with more detail and specificity in the *2024 ICCR Order* in TPUC Docket No. 19-00103. Further, the TPUC-approved ICRR Tariff is attached to the Stipulation and Settlement Agreement submitted in Docket No. 19-00103 on October 26, 2023.

15. Tennessee American has filed simultaneously with this Petition the necessary tariffs.

16. In order to ensure the timely submission of relevant information in this matter, Tennessee American hereby requests the entry of a protective order similar to that approved in TPUC Docket No. 24-00011. Such a proposed protective order is attached hereto as **EXHIBIT A**.

17. Tennessee American submits that the Petition, and its accompanying support documentation, are consistent with Tenn. Code Ann. § 65-5-103 *et seq.*, consistent with the action of the Commission in TPUC Docket No. 19-00103 and its accompanying *2024 ICRR Order*, as well as the Order Granting Petition as Amended in Docket No. 24-00011, and consistent with and to serve the public interest. Therefore, this Petition and Tennessee American's associated tariffs should be approved.

**WHEREFORE**, Tennessee American respectfully requests:

1. That the Commission accept and approve this Petition and issue an order pursuant to Tenn. Code Ann. § 65-5-103 *et. seq.* and consistent with the action of the Commission in TPUC Docket No. 19-00103 and its *2024 ICRR Order*;

2. That the Commission accept this filing and approve TAWC's 2025 ICRR Tariff Petition as submitted herein;

3. That the Commission accept this filing and approve the proposed use of credits from the impact of the federal Tax Cuts and Jobs Act of 2017, as outlined herein and in supporting documentation.

4. That the Commission accept this filing and approve Tennessee American's tariffs, as submitted herein, to become effective April 3, 2025, under the Incremental Capital Recovery Rider Tariff;

5. That the Commission timely enter a protective order in this matter;
6. That the Commission grant such other and/or further relief as may be warranted.

This the 3<sup>rd</sup> day of March 2025.

RESPECTFULLY SUBMITTED,

---

1. For the purpose of this Protective Order (the "Order"), proprietary or confidential information, hereinafter referred to as "CONFIDENTIAL INFORMATION" shall mean documents and information in whatever form which the producing party, in good faith, deems to contain or constitute trade secrets, confidential commercial information, confidential research, development, financial statements, confidential data of third parties, or other commercially sensitive information, and which has been specifically designated by the producing party. A "Producing Party" is defined as the party creating the confidential information as well as the party having actual physical possession of information produced pursuant to this Order. Documents containing CONFIDENTIAL INFORMATION shall be specifically marked as "CONFIDENTIAL" on the cover and each page

of the document. Any document so designated shall be handled in accordance with this Order. The provisions of any document containing CONFIDENTIAL INFORMATION may be challenged under Paragraph 12 of this Order.

2. Any individual or company subject to this Order, including producing parties or persons reviewing CONFIDENTIAL INFORMATION, shall act in good faith in discharging their obligations hereunder. Parties permitted to intervene in this matter after the date of entry of this Protective Order shall be subject to the terms and conditions of this Protective Order and will be allowed access to CONFIDENTIAL INFORMATION under the conditions prescribed herein.

3. CONFIDENTIAL INFORMATION shall be used only for the purposes of this proceeding, and shall be expressly limited and disclosed only to the following persons:

- (a) Counsel of record for the parties and other legal counsel for the parties in this case and associates, secretaries and paralegals actively engaged in assisting counsel of record in this proceeding;
- (b) TPUC Directors and members of the staff of the TPUC;
- (c) Officers, directors, or employees of the parties, including employees of intervenors and the Office of the Tennessee Attorney General; provided, however, that CONFIDENTIAL INFORMATION shall be shown only to those persons having a need to know;
- (d) Representatives of the parties who need to know because they are actively engaged in assisting counsel of record in preparing for this proceeding; and
- (e) Outside consultants and expert witnesses (and their Staff) employed or retained by the parties or their counsel, who need access to CONFIDENTIAL INFORMATION solely for evaluation, testing, testimony, preparation for trial or other services related to this docket, provided that to the extent that any party seeks to disclose CONFIDENTIAL INFORMATION to any outside consultant or expert witness, the party shall give five (5) days written notice to the Producing Party of intention to disclose CONFIDENTIAL INFORMATION. During such notice period, the Producing Party may move to prevent or limit disclosure for cause, in which case no disclosure shall be made until the TPUC or the Hearing Officer rules on the motion. Any such motion shall be filed within three (3) days after service of the notice. Any response shall be filed within three (3) days after service of the Motion. A Pre-Hearing Conference may be called

to confer with the parties on the Motions to Limit Disclosure. All service shall be by hand delivery, facsimile or email. All filings by email in this docket shall be followed up by delivering a hard copy of the filing to the Docket Manager of the TPUC.

4. Notwithstanding the provisions in Paragraph 3 above, under no circumstances shall any CONFIDENTIAL INFORMATION be disclosed to or discussed with anyone associated with the marketing of products, goods, or services that may be in competition with the products, goods or services of the Producing Party. Counsel for the parties are expressly prohibited from disclosing CONFIDENTIAL INFORMATION produced by another party to their respective clients, except for in-house counsel and persons who need to know in order to assist counsel of record with preparation of this case.

5. (a) Prior to disclosure of CONFIDENTIAL INFORMATION to any employee or associate counsel for a party, the counsel representing the party who is to receive the CONFIDENTIAL INFORMATION shall provide a copy of this Order to the recipient employee or associate counsel, who shall be bound by the terms of this Order. Prior to disclosure of CONFIDENTIAL INFORMATION to any outside consultant or expert witness employed or retained by a party, counsel shall provide a copy of this Order to such outside consultant or expert witness, who shall sign the Nondisclosure Statement in the form of that attached to this Order attesting that he or she has read a copy of this Order, that he or she understands and agrees to be bound by the terms of this Order, and that he or she understands that unauthorized disclosure of documents labeled “CONFIDENTIAL” constitutes a violation of this Order. The Nondisclosure Statement shall be signed in the presence of and be notarized by a notary public. Counsel of record for each party shall provide the Producing Party a copy of each such Nondisclosure Statement and shall keep the Nondisclosure Statements executed by the parties’ experts or consultants on file in their respective offices.

(b) Disclosure of CONFIDENTIAL INFORMATION other than as provided for in this Protective Order shall not be made to any person or entity except with the express written consent of the Producing Party or upon further order of the TPUC or of any court of competent jurisdiction.

6. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing the documents this failure shall not constitute a waiver of confidentiality, provided the party or non-party who has produced the document shall notify the recipient of the document in writing within five (5) days of discovery of such inadvertent failure to designate the document as CONFIDENTIAL. At that time, the recipients will immediately treat the subject document as CONFIDENTIAL. In no event shall the TPUC, or any party to this Order, be liable for any claims or damages resulting from the disclosure of a document provided while not so labeled as "CONFIDENTIAL." An inadvertent failure to designate a document as CONFIDENTIAL, shall not, in any way, affect the TPUC's determination as to whether the document is entitled to CONFIDENTIAL status.

7. If any party or non-party subject to this Order inadvertently fails to designate documents as CONFIDENTIAL in accordance with the provisions of this Order when producing such documents and the failure is not discovered in time to provide a five (5) day notification to the recipient of the confidential nature of the documents referenced in the paragraph above, the failure shall not constitute a waiver of confidentiality and a party by written motion or by oral motion at a Pre-Hearing Conference or at the Hearing on the Merits may request designation of the documents as CONFIDENTIAL, and if the motion is granted by the Hearing Officer or the Commission, the recipients shall immediately treat the subject documents as CONFIDENTIAL.

The Tennessee Public Utility Commission or the Hearing Officer may also, at his or her discretion, either before or during the Pre-Hearing Conference or Hearing on the Merits of the case, allow information to be designated CONFIDENTIAL and treated as such in accordance with the terms of this Order.

8. Any papers filed in this proceeding that contain, quote, paraphrase, compile or otherwise disclose documents covered by the terms of this Order, or any information contained therein, shall be filed and maintained in the TPUC Docket Room in sealed envelopes marked CONFIDENTIAL and labeled to reflect the style of this proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and this Protective Order. The envelopes shall be maintained in a locked filing cabinet. The envelopes shall not be opened or their contents reviewed by anyone except upon order of the TPUC or the Hearing Officer after due notice to counsel of record. The filing party shall also include with the filing a public version of the papers with any CONFIDENTIAL INFORMATION redacted. The public version shall reflect the style of the proceeding, the docket number, the contents of the envelope sufficient to identify its subject matter and shall reference this Protective Order. Notwithstanding the foregoing, the Directors and the Staff of the TPUC may review any paper filed as CONFIDENTIAL without obtaining an order of the TPUC or the Hearing Officer provided the Directors and Staff maintain the confidentiality of the paper in accordance with the terms of this Order.

9. Documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS (as defined in Paragraph 20) in accordance with this Order, may be used in testimony at the Hearing of this proceeding and offered into evidence or used in any hearing related to this action in a manner that protects the confidentiality of the information, subject to the Tennessee Rules of Evidence and to such future orders as the TPUC or

the Hearing Officer may enter. Any party intending to use documents, information, or testimony designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall inform the Producing Party and the TPUC or the Hearing Officer prior to the Hearing on the Merits of the case, of the proposed use; and shall advise the TPUC or the Hearing Officer and the Producing Party before use of the information during witness examinations so that appropriate measures can be taken by the TPUC or the Hearing Officer to protect the confidential nature of the information.

10. Except for documents filed in the TPUC Docket Room, all documents covered by the terms of this Order that are disclosed to the requesting party shall be maintained separately in files marked CONFIDENTIAL and labeled with reference to this Order at the offices of the requesting party's counsel of record, kept in a secure place and returned to the Producing Party pursuant to Paragraph 17 of this Order.

11. Nothing herein shall be construed as preventing any party from continuing to use and disclose any information (a) that is in the public domain, or (b) that subsequently becomes part of the public domain through no act of the party, or (c) that is disclosed to it by a third party, where said disclosure does not itself violate any contractual or legal obligation, or (d) that is independently developed by a party, or (e) that is known or used by it prior to this proceeding. The burden of establishing the existence of (a) through (e) shall be upon the party attempting to use or disclose the information.

12. Any party may contest the designation of any document or information as CONFIDENTIAL or PROTECTED SECURITY MATERIALS by filing a Motion with the TPUC or Hearing Officer as appropriate, for a ruling that the documents, information or testimony should not be so treated. Upon the filing of such a motion, the designating party shall bear the burden of supporting its designation of the documents or information at issue as CONFIDENTIAL

INFORMATION. All documents, information and testimony designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS, however, shall be maintained as such until the TPUC or the Hearing Officer orders otherwise. A Motion to contest must be filed not later than fifteen (15) days prior to the Hearing on the Merits. Any Reply seeking to protect the status of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS must be received not later than ten (10) days prior to the Hearing on the Merits and shall be presented to the Commission at the Hearing on the Merits for a ruling.

13. Nothing in this Order shall prevent any party from asserting any objection to discovery other than an objection based upon grounds of confidentiality.

14. Non-party witnesses shall be entitled to invoke the provisions of this Order by designating information disclosed or documents produced for use in this action as CONFIDENTIAL, in which event the provisions of this Order shall govern the disclosure of information or documents provided by the non-party witness. A designation of information as CONFIDENTIAL by a non-party witness may be challenged under Paragraph 12 of this Order.

15. No person authorized under the terms herein to receive access to documents, information, or testimony designated as CONFIDENTIAL shall be granted access until such person has complied with the requirements set forth in Paragraph 5 of this Order.

16. Any person to whom disclosure or inspection is made in violation of this Order shall be bound by the terms of this Order.

17. Upon entry of a final order in this proceeding and conclusion of any appeals resulting from such an order, except as to the Attorney General and TPUC, all the filings, exhibits and other materials and information designated CONFIDENTIAL or PROTECTED SECURITY MATERIALS and all copies thereof shall be returned to counsel of the Producing Party within

fifteen (15) days. Notwithstanding any provision herein to the contrary, the requirement of this paragraph shall become operative immediately upon any intervenor who withdraws or otherwise ceases to be a party to the case, even though the case itself may continue to be pending. Subject to the requirements of Paragraph 8 above, the TPUC shall retain copies of information designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS as may be necessary to maintain the record of this case intact. Counsel who received the filings, exhibits and other materials, designated as CONFIDENTIAL or PROTECTED SECURITY MATERIALS shall certify to counsel for the Producing Party that all the filings, exhibits and other materials, plus all copies or extracts, notes or memorandums from the filings, exhibits and other materials, and all copies of the extracts from the filings, exhibits and other materials thereof have been delivered to counsel for the Producing Party or destroyed and that with respect to any electronic copies of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS received or mentioned by the receiving party, all reasonable efforts have been undertaken to eliminate said information. If any electronic CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS cannot be eliminated through the use of reasonable efforts, any such remaining materials shall be subject to the continuing restrictions contained in paragraph eighteen (18) of this Order.

18. After termination of this proceeding, the provisions of this Order relating to the confidential nature of CONFIDENTIAL INFORMATION or PROTECTED SECURITY MATERIALS, information and testimony shall continue to be binding upon parties herein and their officers, employers, employees, agents, and/or others unless this Order is vacated or modified or is supplanted by an order of the court or courts before which is pending a challenge to any order entered in this proceeding.

19. Nothing herein shall prevent entry of a subsequent order, upon an appropriate showing, requiring that any documents, information or testimony designated as CONFIDENTIAL shall receive protection other than that provided herein.

20. In addition to the other provisions of this Order, Tennessee-American Water Company (“the Company”) may designate and label as “PROTECTED SECURITY MATERIALS” documents and information related to security measures undertaken to protect public health and safety. The Company shall provide access to PROTECTED SECURITY MATERIALS to TPUC Directors and members of the staff of the TPUC and further only to authorized representatives of the Intervenor in this docket.

21. The Company shall provide access to an authorized representative to PROTECTED SECURITY MATERIALS only after such authorized representative has executed a Nondisclosure Statement in the form of that attached to this Order and provided a copy to the Company. Except, with consent of the Company: (i) access shall be at the offices of the Company or its counsel of record and under supervision of the Company; (ii) PROTECTED SECURITY MATERIALS shall not be removed from the offices of the Company or its counsel; (iii) no copies shall be provided to an authorized representative except as provided herein. Authorized representatives may make notes or memoranda from a review of the PROTECTED SECURITY MATERIALS and may remove such notes and memoranda. In all other respects such notes and memoranda shall remain PROTECTED SECURITY MATERIALS and subject to the provisions hereof. PROTECTED SECURITY MATERIALS shall be used only to assist TPUC staff or any other party to prepare for and to try this proceeding and shall not be used for any other purpose in this or any other jurisdiction.

22. App. 1999) (holding that “state law” includes the Tennessee Rules of Civil Procedure)). Because this Protective Order is issued pursuant to the Tennessee Rules of Civil Procedure, this Order creates an exception to any obligations of the

Attorney General, including attorneys and members of theirs, as to the Public Records Act and other open records statutes as to CONFIDENTIAL INFORMATION. The Company agrees to designate information, documents

or things provided to the Attorney General as confidential commercial information or trade secret if it has a good faith basis for the claim. The Company will upon request of the Attorney General, or their respective staff, provide a written explanation of the details, including statutory authority, that support its confidential commercial information or trade secret claim within five (5) days of a written request. The Company also specifically agrees that it will not designate any documents as CONFIDENTIAL INFORMATION or label such documents as “CONFIDENTIAL” if the documents:
