RE: *Tennessee-American Water Company's 2025 Incremental Capital Recovery Rider Tariff Petition, Docket No. 25-00016*

Dear Chairman Jones:

Since the submission of Tennessee-American Water Company's ("TAWC") Petition in the above-referenced matter on March 3, 2025, TAWC and the Consumer Advocate Division in the Office of the Tennessee Attorney General ("Consumer Advocate") have been involved in cooperative discussions and have exchanged various information related to the Petition. With the recent submission TAWC's Supplemental Testimony of Robert C. Lane on May 27, 2025, the parties hereby jointly represent that there are no outstanding procedural matters requiring resolution by the Hearing Officer.

Moreover, after considering the entire record, including TAWC's responses to discovery, and consistent with the streamlined approach contemplated in the alternative method riders approved in TPUC Docket No. 13-00130, it is the joint position of the parties that this matter is ripe for consideration on the merits by the Tennessee Public Utility Commission ("TPUC" or the "Commission"). At this time, there remain no outstanding disputes between the parties with respect to this Docket, as clarified by and through discovery, the parties' communications, and pre-filed testimony. As reflected in the Pre-filed Supplemental Testimony of Robert C. Lane, which summarizes the resolution of the issues by the parties, there are no contested issues between the parties on the merits of the Petition, and it is the position of the parties that this matter should be resolved in favor of the positions set forth in TAWC's Petition, as amended by and consistent with the Pre-filed Supplemental Testimony of TAWC Witness Mr. Lane. Consistent with agency practice, the parties hereby jointly request that the entire official record in this docket, including discovery, be made a part of the evidentiary record.

With the foregoing in mind, unless otherwise requested by the Commission, the Parties hereby waive both opening statements, the live presentation of testimony, and cross-examination

of witnesses by the Parties. TAWC Witness Lane and Consumer Advocate Witness David N. Dittemore will be available for the Hearing on the merits. Further, other than follow-up and/or clarifying questions in response to questions of any witness by a TPUC Commissioner or TPUC Staff, TAWC waives cross-examination of Mr. Dittemore, and the Consumer Advocate waives cross-examination of Mr. Lane.

As required, copies will be mailed to your office. Should you have any questions concerning this filing or require additional information, please do not hesitate to contact me.
