Monica,

The purpose of this email is to provide you a status update on TPUC Docket No. 25-00023. The parties continue to discuss use of the escrow funds. However, the parties have not yet reached a resolution on the use of the funds for such work as “replacing control panels” or “replacing recirculation panels.”

To support the parties in their continued discussions, we request that the Commission appoint a “Party Staff” person to this Docket. We believe that having the experience of the Commission as part of the parties’ discussion would move us toward resolution.

Thank you for your time and consideration of our request.

Respectfully,  
Karen
