RE: *In Re: Aqua Green Utility, Inc. Petition to Amend Escrow Charge - TPUC*
Docket No. 25-00029

Dear Mr. Conklin:

As you are aware, I represent the interests of Aqua Green Utility, Inc. (“AGU”) concerning the Tennessee Public Utility Commission Docket – Docket No. 25-00029, wherein AGU is seeking to amend its current escrow account procedures and maintenance.

On May 14, 2025, the Consumer Advocate filed a Petition to Intervene. On July 10, 2025, the Tennessee Public Utility Commission entered an Order granting the Consumer Advocate’s Petition to Intervene. Giving this action, AGU would request a procedural schedule to be put in place to allow for the efficient resolution of this matter.

If you have any questions or concerns, please do not hesitate to contact me directly.

Very truly yours,

STITES & HARBISON PLLC
