Subject: 25-00035 Application of Fiber AssetCo, LLC for Competing Local Exchange Telecommunications Authority
Date: Thursday, June 26, 2025 12:52:45 PM

Good Afternoon,

In regard to the application of Fiber AssetCo, LLC to Provide Competing Local Exchange Telecommunications Services in Tennessee, please file the actual Certificate of Authority/Existence from the Tennessee Secretary of State. The petition in this matter only contained the Filing Acknowledgment from the Secretary of State's Office.

Once we receive the requested document, which can be obtained by the applicant on the Tennessee Secretary of State's website, we can set this matter for hearing. If you can send me a few dates your client would be available mid-July (time for us receiving the SOS document and the 10-day public notice requirement), we will do our best to accommodate your schedule.

Thanks and let me know if I can be of further assistance.
