RE: Approval of the Amendment to the Mutual Traffic Exchange Agreement
Negotiated by TDS Telecommunications LLC ("TDS Telecom") and Level3
Communications, LLC ("CLEC") Docket 25-00046

Dear Ms. Dickison:

On June 17, 2025, the Tennessee Public Utility Commission
("Commission") received the above listed filing for approval of an
Amendment.

In accordance with Section 252(e) of the Telecommunications Act of
1996, the Tennessee Commission is charged with approving or rejecting
the Amendment within 90 days. Since the Commission has no record of
the Original Agreement between the Parties to the proposed Amendment,
the Commission cannot proceed with approval of the afore-mentioned
amendment.

This is to request that TDS Telecom, by September 3, 2025, submit the Original Agreement, or withdraw the Amendment as filed in the instant Docket. Otherwise, the Commission must consider rejecting the Amendment filed in Docket No. 25-00046.

Please contact me if I can assist in any way.
