The Tellico Village POA is and has been overcharging for water which is now up to approximately 225%. It is my request that you intercede and stop this gouging. 5 years ago the minimum charge was \$55 monthly even with no water usage. Now it's 159.82 as of the previous month. I live alone and don't water my lawn. My house in Florida with the same usage is \$11-13 per month. Please help. I can't afford it.

Thank you for your consideration,

Michael Berenbaum
