**Comment/Message:**

I am very concerned about the machinations of our Tellico Village Property Owners Association. They seem to be operating outside the boundaries/covenants of the organization. Their communications are spotty and often incorrect. They are disdainful of many legitimate questions and concerns of

homeowners.

There is the appearance of either knowing impropriety or unknowing ignorance of their charter and local/state laws. The POA legal representation fits this same description.

Thank you!
