**Comment/Message:**

As a resident of Tellico Village since 2010 I have witnessed the abuse in our water and sewer fees. Having volunteered in a planning committee more than 7 years ago we had appealed for the POA to develop a plan to deal with future infrastructure needs to no avail. While increasing our POA dues annually less

and less was apportioned to infrastructure needs. Then came the \$80.00 fee to build an escrow for future improvements which I think may be the final straw as many residents are now moving.
