Comment/Message:

As a resident of Tellico Village I'm concerned about the water rate increases charged by our Property Owners Association. In 2023 the POA began eliminating volume tier price breaks while substantially increasing the price/thousand gallons they charge. The POA buys our water from LUB (Loudon Utilities

Board) and delivers it to our homes. This year they pay LUB \$4.17/thousand gallons and are charging homeowners \$13 to \$20/thousand gallons for usages exceeding the minimum 2000 gallon volume tier.
