Comment/Message:

We have lived in Illinois and Colorado and have never experienced water bills so high. The board here was not interested in hearing any members of the community's concerns on this issue. They seemed hell bent on collecting an additional \$80 fee while giving no plausible reason for that fee and why we pay an up

charge for water while neighbors not in Tellico Village pay no such fee. The board was pleaded with and questioned several times by community members on this issue, but fell on deaf ears.
