Comment/Message:	I strongly support the inquiry into the operations/management of TVPOA water and sewer. A lot of major decisions have been made unilaterally by our current BOD which indicate significant disregard for the controls imposed by our CCR's. TVPOA profited ~6M from this rate gouging, on a necessity! These decisions

have adversely impacted our most vulnerable senior residents, they have been charging reconnection fees even when they did NOT shut off the water! It borders elder abuse IMHO. Thank you!
