<b>Comment/Message:</b>	<p>I'm a homeowner in Tellico Village with minimum water usage most months since 1998. I xeriscaped the yard, minimal outdoor watering. With the recently added \$80 surcharge on top of the \$80 minimum, my monthly bill is about \$160. The water and sewer charge seems excessive to me. The recent</p>

surcharge (“TAP fee”) is a fixed dollar amount for all homeowners, which works out to be disproportionately very high for my small house and low usage. Local area not village users pay much less.
