Comment/Message:	I completely support our POA in managing our water and sewer systems as they have been doing that since Tellico Village was formed. I do not believe they are in violation of any state regulations and do an excellent job for the residents of Tellico Village.

Unfortunately, we have a group of residents who have developed a passion to oppose, criticize, demean and insult our volunteer POA Board members. I fear that if successful in any of their efforts, it will negatively impact all of us.
