Comment/Message:

We live in Tellico Village & over the last several years our water bills rapidly increased and not because our usage has changed. We irrigate from lake water. We hardly flush toilets now & limit water usage on appliances. We learned that our Board of Directors have been raising our water rates 200-400% at their

digression to pay for amenities not green self-supporting, restaurants and golf being in the red for example. 10 months ago they slapped \$80 fee onto our water bills, probably illegal.
