Comment/Message:

I support TPUC asserting jurisdiction over the TVPOA regarding provision of water to TV. I assert that no valid exemption from regulation exists under TCA 65-4-101 (A) & (B) for TVPOA, as it provides water to commercial properties as well as residential lots, receives its water from Loudon Utilities, and sells water to

customers at 225% above cost, then diverting this profit to non-utility uses.

Thank you.
