Comment/Message:

The Tellico Village Management, for the past 6 years, has used their ability as a distributor of water and sewer services to accumulate over \$10 million in PROFITS from Water and Sewer revenues. In doing that, residents have had to pay exhorbant fees for their water. The residents need help in getting this situation

under control. Hopefully the Tennessee Public Utility Commission will be able to do this by requiring a Cost Of Services Study justifying the rates being charged.
