Comment/Message:	We are residents in Tellico Village and are paying exorbitant water and sewer rates imposed by the property owners association. In addition, the property owners association had also imposed a surcharge of \$80.00 per month on every water and sewer bill. We are paying far more that any other residences in Loudo

County and need the states's help in resolving this unfair practice. Unfortunately, we are being subjected to undo practices by parties involved with Tellico Village.
