Comment/Message:	The Water & Sewer issues at Tellico Tn are a very important matter which requires State oversight. The situation goes beyond mis-management and irresponsible behavior for more than 10 years. The citizens have been both mis informed and financially damaged by the TVPOA with little attention by anyone until

recently. We are a family included with many who support a forensics accounting audit of the TVPOA BEYOND the water & sewer issues.

Document Title: PossiblWater/Sewer fraud
