Comment/Message:

I sincerely hope that the TPUC can and will step in to regulate water utilities in Tellico Village. The continual rising cost of our water is a very real concern. The POA is not operating in the best interest of its homeowners and since there is no alternative for us to obtain water, we are forced to pay these exorbitant rates. Not

only have they increased tremendously in the past 5 years, the 5 year budget plan calls for a 10% annual increase to our already inflated rates. It has to stop!
