**Comment/Message:**

The board members running Tellico Village are awful. This water/sewer issue is ridiculous. Not getting RFPs. Using only Jacobs Engineering for the project despite POA members disagreement and extremely high costs. It feels like someone is getting their palms greased and getting kickbacks. Intentionally naming the

\$80/mo charge so they can get around calling it a fee is horrible. Water is a basic necessity and the cost is out of control. \$79 minimum chg is high. Please step in and help us.
