Comment/Message:	For the last seven years that I have lived in Tellico Village I have noticed the board of director for our POA have acted in such an inappropriate way. They add fees to our water bill to benefit the reserves for the village that go to amenities. Why am I paying a set fee for water...I know I do not us all the water they say

I would use in a month. If I lived somewhere else I would be charged for what I use. They also added a fee of \$80 a month to the water bill illegally.
