Thank you for stepping in to the disaster that the Tellico Village water has become. I moved here exactly two years ago from Southern California and thought I had escaped the graft and smoke and mirrors. As it relates to this serious issue, it seems I haven't. I will not belabor the many points as I read the lawsuit in

its entirety and everything is spelled out. What they have done to the residents here is unconscionable. Thank you. Thank you. Thank you
