**Comment/Message:** Dear Sirs,  
As a property owner in Tellico Village for 34 years, I do not believe the current Tellico Village POA is acting in the best interest of our owners. I do not believe they understand the problems or solutions to our water and sewer system. They are charging exorbitant fees for

our water to pay for other pet projects. My average water and sewer bill for 2021 was \$104.42, for 2022 it was \$101.48, for 2023 it was \$102.00, for 2024 it was \$165.43, and so far, this year it is averaging \$247.
