Alternate Phone Number:

Email Address:

Commission Docket Number: 25-00048

Comment/Message:

Every place I have ever lived, public utilities—as legalized monopolies—have been regulated by an independent commission charged with protecting the best interest of the consumer. Tellico Village has no such oversight for water/sewer. The POA purchases water from the local utility and then resells it to the

residents at a premium with zero oversight or regulation.
