Comment/Message:	I'm glad that the TPUC is looking into the Tellico Village POA regarding our utility. They (the POA) seem to think they can and have done what they have wanted regarding our water and sewer rates as well as adding an \$80.00 monthly fee for 5 years to our water bills. We are being told that the \$24M that will

be collected over 5 years will be used for repair and upgrades to our water and sewer system but have not disclosed an exact description of the specific repairs and upgrades needed
