I am a resident of Tellico Village in Loudon . I have lived here for almost 3 years , in those 3 years , my water rates have steadily risen . I have paid approx.close to \$2000 extra imposed by an arbitrary \$80 monthly fee supposedly for unneeded and unproven need for water and sewer improvements . These improvements ,

recommended by the POA , are against the opinion of most residents. Bids for these projects have been shady , consulting firm and attorney are in lockstep with POA. \$200-300 bills?

Document Title: TVPOA Water
