**Commission Docket Number:** 25-00048

**Comment/Message:**

As a resident of Tellico Village and a customer of the TVPOA for water delivery, I believe our community has grown beyond the ability to maintain a private water and sewer infrastructure adequately, primarily due to being ineligible for most grants and any long

term funding for capital projects. This places the entire fiscal burden of needed upgrades on current residents within a small window of time, rather than such projects being financed over their anticipated useful lifetime as is standard.
