Email	[REDACTED]	
Company That The Complaint Is Against:	Tellico Village Loudon Tn	
Type Of Service (Internet, Cable, Phone,	Water Waste Water	
Contacted Utility Regarding Complaint?	Yes	
Link To Additional Documents:		

I reside in Tellico Village. They increase the water rate by 66 over what they buy it from Loudon. My water bill is 300 a month for two people. There are residents in this community with water bills of 500. They dont have the right to make a profit on selling water. They are not a utility company.
