Email	[REDACTED]	
Company That The Complaint Is Against:	Tellico Village Poa	
Type Of Service (Internet, Cable, Phone,	Water Waste Water	
Contacted Utility Regarding Complaint?	Yes	
Link To Additional Documents:		

It is not uncommon for our water bills to exceed 500 to 1000 month. Tellico village POA appears to be funding operating and administrative costs of Tellico Village and Tellico Village Public Works Department through our water bills. Shouldnt our water and sewer be separate from the expenses of Tellico Village POA? I am asking if this budgeting of the POA practice is happening and if so is it legal ethical?
