Comment/Message:

Why was a \$80 fee slapped on our water bill without our knowledge and without our vote? We were told by the Board of Directors that this fee would be mandatory monthly for 5 years, and it could even go up! How can this even be legal? Why is the price of our water over-priced? How can that be legal?

TN must investigate what is going on here in Tellico Village and make this right for the residents. Does the Board of Directors have the right to do such things to our residents?
