Email Address:	[REDACTED]
Commission Docket Number:	25-00048

Comment/Message: If the Village needs to generate more money for infrastructure improvements it should be via a special assessment voted on by the members of the POA not by inflating the price of water to levels that are unheard of in most areas of the United States.
Our covenants clearly state that this is the way

to proceed and our board has decided not to adhere to our covenants and to use a basic necessity such as water as a way to generate extra funds.
