Comment/Message:

I live in [REDACTED], which is the eastern most community of Tellico Village. I have experienced monthly water bills near \$600 , and \$200, when I'm not in residence with the water shutoff. The Tellico Village water Department has no answers for such exorbitant rates, so I'm seeking comparable

rates from local municipalities such as Vonore and Maryville. There are only two people living in my residence, my wife and I. Something is not right with this utility, and should be examined.
