Commission Docket Number:	25 00048
Comment/Message:	The Tellico Village Property Owners Association never asked for an exemption from regulation as a public utility since they started “selling” water in 2013 to fund their operation. Had they done so it should have been denied because they are marking up the price they charge residents more than 40% over what they

pay Loudon Utilities for the water (profit). The Tellico Village Property Owners Association should apply for authorization to operate as a utility.
