Subject: Docket 25-00048, TVPOA Staff Data Request

Mr. Stevens,

On December 15, 2025, I sent you a data request for information necessary for the Commission to properly evaluate this petition. This information was due to the Commission on January 5, 2026; as of today (January 8), the Commission has not received answers to the data request or any correspondence from TVPOA requesting additional time to respond. Accordingly, I hereby request that complete answers to this data request be submitted no later 2:00 p.m. on Tuesday, January 13, 2026. Please contact me with any questions or need for clarification of any issue.

David Foster
Director of Utilities
Tennessee Public Utility Commission
