Commission Docket Number:	25-00048
Comment/Message:	Our water rates are punitive to residents that don't have lake access for irrigation. Charging \$13 per thousand from 2-15k gallons for water that we pay LUB \$4.13 for is unfair. Profits (estimated to be \$4M this year) are unfairly coming from newer construction that irrigates

landscapes. The majority of the infrastructure projects are sewer related and should be funded by All residents through our monthly budget assessments.
