<b>Comment/Message:</b>	I'am concerned about our communities future. I contacted the attorney general office twice regarding the Tennessee nonprofit act and our boards lack of concern in following the law, they informed me the law has no teeth/enforceability. Our board /POA feel untouchable, it's evident by the letter they

wrote in response to the attorney general's office filing suit against them. I even contacted the comptrollers office who investigates nonprofit organizations and was met with the same answer.
